Dr Sir

I have recd. your favr. of the 7th Instant requiring weekly reports & a transmission of the money to the Treasury as fast as collected — the Collectors in my survey shall be immediately instructed to that effect and my first report shall be forwarded without delay as directed — I am in hourly expectation of receiving the Collectors reports — that from Mr. Hughes I have already recd —

Pray tell me by return of the Post whether it will be proper for me to transmit you money by the Post as I have a small sum by me for the purpose — please also to send me an additional supply of certificates for the removal of Spirits —

I am Dr Sir
very respectfully
