

Wheatland 21 February 63

My dear Harriet,

I have this moment received two letters for you which I have enclosed.

All things proceed as usual. Miss Hetty & myself get along very comfortably. Mr. Hiester & his bride are now on a visit to Philadelphia & New York. Mr. Swarr & Mr. Brown, without their ladies, were invited to the reception after the wedding & attended. There was a considerable number of Eshlemans, Ellmakers, Herrs & Musselmans present. Mr. & Mrs. Reynolds were not of the number..

Yours affectionately

Miss Lane

James Buchanan

P.S. I have received your first Epistle.
