

Wheatland 19 February 1863

My dear Harriet,

I enclose you a letter from Mr. Capen.

Daniel Clymer of Reading was here yesterday. He said he had come to attend his cousin Isaac's wedding. He left his kindest regards for you.

The day has been so bad that no person has come here who could tell me anything about the wedding.

With my love to all, especially Miss Henrietta Jane Buchanan I remain.

Yours affectionately

Miss Harriet R Buchanan

James Buchanan
