

Wheatland 5 October 1866

My dear niece,

I received yours of yesterday this evening and shall certainly, God willing leave here for Baltimore on Tuesday morning next at 11 o'clock, after voting at the election.

Miss Hetty has received your commission and I shall take the article with me.

Mrs. Shunk may probably accompany me from York; but this is uncertain.

Alice & Matty Nevin were here since I wrote & made many inquiries concerning you. Blanche has been at Steinmans in the Country for the last week; but whether she has returned I know not.

Yours affectionately

Mrs. Johnston
