

Wheatland 13 Nov 1867

My dear niece

I send the enclosed received from Miss Ann Kittera for Miss May Snyder. Please to deliver it with my kind regards.

I sent the 2 volumes of the Maryland Code yesterday by Adam's Express to Mr. Johnston & paid the freight. I am much obliged to him for them.

No news of the least importance. I believe Mrs. Lane has not yet returned from her visit to New York. I have prevailed upon the Misses Pleasanton to remain another week. They will leave for Bethlehem on Tuesday next. They have rendered themselves very agreeable as well as useful. Clemmie is an excellent as well as willing reader. I shall feel their loss; but Miss Hetty & myself will get along comfortably.

I have not seen mother Nevin since Ann Eliza left. When I do, I shall doubtless discern the reason of her strange conduct.

Yours affectionately

Mrs. Johnston
