

HLJ [Letterhead]

My dear Mr. Swarr,

I send you a letter received from Mr. Johnston, which he requests you to answer at your convenience. Please send by Francis all the papers collected by Mr. Smith. I desire to see them all. I will commence my book at once. If you have any articles from the age that would interest me, I would thank you very much for them. Believe me.

Yours very truly
Harriet Lane Johnston
