

October 3 /60

Sir

I have the honor to enclose two letters addressed to your Excellency and which it was my intentions to have presented at an earlier date – but, that I have been longer than I anticipated in making my tour in the States. It is my intention however to reach Washington with Lady Chandos tomorrow Thursday afternoon and I hope we may then during our stay at the seat of government have the pleasure of paying our respects to your Excellency.

I have the honor to be
Your Excellency's Servant
Chandos
