

St. John's Lodge, near Aylesbury
12-5-'55

My dear Sir,

In forwarding your Excellency the enclosed formal card for the Greenwich Visitation, I must add that you will also receive a note from the Astronomer royal. But I wish to know - in case you may be able to go - whether you would like to proceed down the river by the Admiralty [Barge] An answer will therefore oblige.

Your Excellency's faithful Servant,
W. H. Smyth
