

Wheatland 13 August 1850

My dear Sir

It would afford us great pleasure if you could permit Miss Theodora, the Miss Laemans & my niece Miss Yates to pay us a visit. I could send for them either on Thursday or Friday next, or the Thursday or Friday of next week. I trust you may grant this request. My two nieces & myself will afford them a cordial welcome.

from your friend
very respectfully

P.S. If Miss [Hobbins] or Miss Dow has returned to Lititz I should be glad to see them. Please to drop me a line by return mail.
