

Wheatland 6 March 1850

My dear Sir

I would have sooner expected my acknowledgments to you for your kind invitation to to attend the musical performances by your pupils on Thursday evening last, had I not anticipated the pleasure of thanking you in person. The afternoon, however, was so unfavorable that our party were prevented from going.

With my kindest compliments to Mrs. Frueauff, I remain very respectfully your friend

James Buchanan

Rev: Eugene A Frueauff
