His Excellency

J Buchanan Esq., Cashier

Dear Sir : Your favor of the Inst., with its enclosure has  
been received.

Respectfully Yours,  
W. M. Beetem Cashier.

I enclose for collection.

You seem to be acting under the impression in your order to Mr. Etter to renew the Judgment against Thudium & Glass for \$6500 the interest on which I paid you till 1 Apr – that the lien will soon expire unless renewed. Your Judgt as I understand it is based upon a Mortgage consequently a renewal of the Judgt is putting costs upon it without any real benefit – and is making those who hold portions of the lands bound by the Mortgage feel uncomfortable because upon the issuing of a Sci: Fa: their names will be used as terra tenants – I trust, before issuing the Sci: Fa: you will advise with Mr. Etter, and if the facts are as I state, you will suspend operation for the present. If you cannot, however, I will endeavor to make some other satisfactory arrangements.
