My Dear Sir

Your favor of yesterday, came to hand this morning.

I was pleased to find that my visit to Lancaster could be postponed beyond this week as it would have been with some inconvenience that I would have left home this week. I will come up on my day next week, or the following one, that you wish me to come. I rec'd a letter from Mrs. Dunham yesterday enclosing the receipt for the amount sent to her, including the amount of her mortgage. This receipt I shall herewith send to you. She names G.W. Hecker, Esq., as a person to whom we could safely commit any business we might have in Meadville. But, as all we have to do there at present is entering satisfaction on her Mortgage, I suppose it is not necessary to appoint any other person than her father. I will bring the letter of Attorney up with me when I come.

I enclose a letter of inquiry rec. from my son James. I intended to bring it up with me. But now, not going up this week, I send it. I wrote to James that I did not know of his uncle [sic] having owned land in Forest Co., but that I would ask you respecting it.

I shall send by this afternoon's mail the check for Jessie Magaw.

Very Truly

Yours

Edw. Y. Buchanan

H. B. Swarr Esq.

Forest Co. adjoins Clarion; & possibly some of Mr. Reynolds' & my brother's lands extended into Forest. It is not likely however that any of their lands would be left encumbered with a debt for taxes.
