My Dear Mr Swarr,

Your letter of the 3rd came to hand this morning just as I was thinking of sitting down to write to you.

I will make it suit to meet you on Thursday, at 2 ½ o'clock, at the Banking House of Jamison & Co. But I could much more conveniently do so on Wednesday, at any hour you would name. Please telegraph to me tomorrow to Philadelphia, whether you could come to Phil^a on Wednesday instead of Thursday. If you cannot come on Wednesday I will go in on Thursday to meet you. I will be in town tomorrow, & will call at the Telegraph Office for your Telegram.

As I hope to see you so soon I will wait till then to ~~make~~ confer with you about some affairs of business.

I recd [sic] a letter from Miss Maria Weaver this morning requesting me to send her some money to enable her to pay John's Board-bill through August. And as the amount she wants is more than I still have, I will be glad if you will bring me \$100 for this use.

Mr Henry has been with us for the last 8 or 9 days. He is very well. He thinks we ought by all means to get the papers as soon as we can.

I am very sorry to hear that Mrs. Swarr is unwell [sic]. Please, remember me kindly to her. Believe me to be

H B Swarr Esq.

Very truly yours,
E Y Buchanan

Please, tell the operator to say that your telegram will be called for.

It might be as well to send me a line by mail, as, if you would write tomorrow, I might get it in time on Wednesday morning to know what to do.
