My Dear Sir,

I write to ascertain whether you expect to be in Phil^a, within a week or two.

I am anxious to see you in relation to the Virginia State Securities wh [sic] belonged to my brother, & in reference to wh [sic], or to interest on wh [sic] I have rec^d [sic] a communication from an Attorney in Richmond. Should you be coming to P, I should be glad if you will come to this house, where, as you know, I have my brother[sic] book of accounts & where we can examine it together & confer on the subject.

I hope you continue in the enjoyment of good health. My own health is comparatively good, though my sight does not improve but rather fails.

With kindest regards for Mrs [sic] Swarr, I remain, Sincerely,

Yrs,
E Y Buchanan
