My Dear Sir,

Two days ago I rec^d [sic] a communication from Dr [sic] Foltz addressed to you & myself as Executors. I presume that a copy or the original of it, [sic] was sent to you. If ~~it was not~~ neither has been sent to you, will you let me know, [sic] I will send what I have rec^d [sic]. It is of a character with one wh [sic] he sent us some months ago. He evidently does not wish any law suit about his claim, & I think does not intend to have one.

The small pox [sic] being at Wheatland, I suppose it may be some time before we can now get the papers; though as they are in an entirely different part of the house from where the man is, I do not think there wd [sic] much risk in going there to get them.

For some reason Mr [sic] Welling seems to be quite backward about undertaking the Biography. I have been in correspondence lately with [sic] on the subject, wh [sic] I hope will result in his undertaking ^{at an early day} & entering into an agreement with us in reference to it.

You have, I believe, a number of letters & ~~papers~~ in your possession ~~in reference to~~ to and from Dr. Foltz. Have you a copy of the one written by my brother to some one in Phil^a in reference to his claim? Please look. My daughter Annie is confident that a copy was made & kept. Indeed, she seems confident that she made the copy, at her uncle' [sic] request. If you have it not, I suppose it is still at Wheatland.

Very sincerely,

Yours,

Edw [sic]Y. Buchanan

H [sic]B [sic] Swarr, Esq.

Please excuse the blots on this page. I did not notice them till I turned over.
