Gentlemen,

I have received yours of yesterday stating the balance which will be due to you on the 1 April on the Leonard account to be \$1553.83. ~~on account of the Leonard transaction.~~ This Which, I have no doubt, is correct.

I would thank you to state ~~inform me what in the small amount~~ of the balance in my favor on ~~your books~~ several account. I know it is ~~inconsiderable~~ must be ~~inconsiderable~~ small. ~~After this shall be deducted~~ After deducting this from the above I shall send you a check for the ~~balance~~ remaining sum on the 1 April.

I am not at all disappointed with W. Bowies letter.

With many thanks, I remain

Yours very respectfully,  
James Buchanan

Messers Riggs & Co.
