

J. Buchanan Henry, Esq.

Villa Matilda July 18 1889

Dear Sir.

[?] rec^d your letter in relation to Gran Island. I was not aware that I am the stumbling stone in completing the Sale. I offered my share of the Island for \$8000 cash provided you would take the same, instead of which you lease at, from equivalent, to \$20,000 as money is only worth 5%, & I hand over a letter in which your terms are complained of.

Much obliged for your offer but, as things are, I prefer to abide my time. If in the meantime I should see that the property will never be sold & remain in its present state to the day of judgement [sic].

Respectfully

[F Trien'o?]
