

Annapolis Md Wednesday

Dearest Lulie,

I arrived all right last night meeting Mr. & Mrs. Southgate & Mr. Harrison on the train.

I feel a little weak and good for nothing this morning but hope I will feel all right tomorrow.

Mr. & Mrs. Magruder are all well. I sleep on 3rd floor back. Dr. Rideout [?] called this morning & inquired about you [?] of you. [?] sends you her love.

I suppose tomorrow I will do some business. Have seen to Parker and his new house being built.

I hope to get a letter from you tomorrow.

Goodbye dear wife and kiss from [“papy” ?] –

Your affectionate

JBH
