

Washington  
Saturday

My dearest Mary,

I received a very nice letter from Scharff last night in which he enclosed me his cards for you - & I send them herewith.

His programme is -Thursday night in New York at the St Nicholas. Friday morning goes to Phila & Saturday goes to Washington to stay all week. As I shall go over to Baltimore next Saturday, I intend to write him to stop if he can at Balto with me at Bormans until Monday morning – so that we can all see each other\_ wouldn't it be nice. He & Fannie send much love to you & myself.

I have not yet seen Miss Emily but if she came over yesterday evening I will see her to-day.

You must excuse this brief letter to day, my dearest, as I have no time to unto mine\_

Yours devotedly as ever  
JBH
