Dear Papa,

I have let more time go by without writing than I should have but will try and make amends now. As to myself I am still working on the same job and living in the same place. I am thinking a little of moving out to Flushing in May but letters addressed here will be forwarded if I have moved. After a rotten cold and disagreeable six weeks spring in a modified form is here, for which I am thankful. I went to Philadelphia in February and while there stopped in and saw [Lal?]. Had a pleasant talk. Met Mrs. White and one of the Ewing girls. Last Monday Will and May were in town. They looked well and have just taken a house in Columbus over which they seemed much pleased. I hardly expect to get up to the Lake this summer as my vacation will come either very early or very late in the season at a time when the Lake will be rather deserted. Will & May are going to spend their vacation in the Yellowstone so probably Rob & Jean will be the sole representatives of the Henry family. I have seen a good deal of them this winter. They have just left their apartment for good and moved out to the Polars for the summer. In the fall they are going into their home on St John's Place. I wonder if you have heard of the death of Mrs. Duer Irving. She died about a month after Aunt Hatty so the reason why you got no answer from her is obvious. I also heard, though I am not absolutely certain, that John Irving, her third son died about ten days ago. Poor Mr. Irving must be crushed! I hope you are enjoying your travels. Doubtless you will stay abroad all summer. Congratulations of reaching the age of 75 and many happy returns. Love to yourself and Margaret.

Affectionately

Frank
