

My dear Mr Henry.

I shall be delighted to see you & your wife at any time convenient for you, or when the weather looks Italy fashion – just now one might imagine that the North Pole had come to see why we have stopped playing peek a boo with her – My daughter wishes me to say that she will be happy to see you & Mrs. Henry at tea and to give you a hearty welcome –

My son in law is [sic] here in command of the 21<sup>st</sup> Regt Cav and he also will be pleased to see you –

The residence is 172 Corso Umberto –

If we know when you will come we will meet you at the station.

Sincerely your friend

Cornelia Hays
