Agency of the Glen Falls Lime Companies
Glen Falls, N. Y. Dec. 23 1884

J. B. Henry Esq.

Dear Sir

If you come to Albany on the 27th I hope will run up [sic] as I would be pleased to meet & make your acquaintance. I will see Mr. Goodman who has all papers, but it is my impression that he has none of the old deeds. Think you better stop here when come up & then if you wish to go to Caldwell I will either drive or send you up by team. I think the omission of the [Jr?] in conveying to Mr. Goodman cannot make any difference. I hope I may get the outlines from Mr. Brown before you come. You not [sic] fear but you will get a long strip of shore, and really I believe a great bargain.

Very truly yours

T. S. Coolidge
