ANGNEY'S  
Dry Goods and Notion House  
[a description of Columbia in small print]

H. B. Swarr, Esq

Dear Sir:

Do you know of any one that desires to make a loan, if not I think it would be well to advertise the same in one or more of your papers in Lancaster. Please let me hear from you. We cannot depend on the party I spoke to you about.

Yours truly

J. P. Angney
