

Phila. Oct. 25 1880

H. B. Swarr, Esq.
Atty. & Counsellor at Law,
Lancaster, Pa.

My dear Sir.

Mrs. Saylor has, it seems, drifted from one counsel to another until she is now fighting Eby through W. F. Beyer Esq. and it seems is likely to recover something.

Mr. Beyer is an entire stranger to me. Her son has just died, and being in great need of money she has induced me to loan her ten dollars. ___ To secure me the repayment of this she has given me the enclosed order. ___ Will you do me the favor to have it served upon Mr. Beyer by one of your clerks; and have a note of service made upon the copy herein enclosed: thus obliging.

Yours truly, E. Hunn, jr.

Pr. J. C. C.

Enclosed find stamped envelope addressed to me.
