

Easton [July] 26

My dear Mr. Swarr

I hope to attend the meeting of the State Teachers Association on 9th & 11th Augt. If you are to be “at home” and the Household is a condition to receive company and if you will give me half and invitation, I shall report myself to you. I have spent so many pleasant hours at your house ~~that~~ it is no wonder that when I think of Lancaster I think of you.

But now, my dear Sir, dont you and Mrs. Swarr make any changes in your plans on my account. Please let me know frankly if it is perfectly convenient for me & my carpet bag to appear at your door on the 9th.

I enclose you a slip from our Daily Paper here – perhaps it will interest you to note what a gorgeous appearance I “put in;” following a brass band & in an open barouche! I didn’t feel so much like a poor Presbyterian minister as like some General or Governor in at least a member of Congress!

But hoping to see you soon & with many kind remembrances to your family. I am, my dear sir

Yours
Most Cordial
W. C. Cattell
