

Post Office Department

June 27th 1840

R. Johnston, Esq
2nd Asst PM Genl

Sir,

I report that David Lynch Postmaster of Pittsburg, P^a for having failed to pay the Postmaster General's draft on him, in January last for \$3802.60, when he was actually indebted to the Department in the sum of \$6300.47.

I also report him for having failed to pay a draft upon him, dated 7 May last, for \$3000. when he was indebted nearly \$7000. –

He failed to pay one or more drafts prior to those about stated, but as he alleged that he had not been allowed in the Auditor's office considerable credit to which he was entitled, no specific action was then had on those cases.

Very respectfully

Your obdt sevt

John Marron
