Dear Sir

In answer to your letter of  
yesterday I have to say that I  
know Oberlin & Co to be a  
firm Anti Slavery man, and  
as much opposed to the Kansas  
outrage; and as much in favor  
of the restoration of the Missouri  
Compromise as any man  
in the Union —

What a pity the Anti Slavery  
men should give the majority  
to their opponent, on account  
of some issues!

With a very large Anti Slavery party in the  
country to their support no sooner did the
