

Camp New Falmouth Va

Dear Col,

I received your two letters. I directed your letter to Bob. He is in Sumner's Grand Division. The best way to reach him is to direct your letters to 145th Regt. Army of Potomac Washington, not mentioning the Corps or division, but mentioning the number of the regiment and State plain. We have no difficulty in getting out letters when directed to 112th Regt. Army Potomac. The 9th Corps are being for Forts, Monroe, and with them the 46th Col. Brett's so that Mr. McClure will hardly bring down Bob's box. But look Martin on 2^d or 3^d next. Script has gone to Washington and he may bring it. When I will see in directed to Bob.

Bob. is in good health and, ^{is} spirits
I saw Linn Adams on Sunday.
He looks well, and Linn Lichy
tells me he is one of the most
popular men in the Regiment.
I know he is exceedingly so with
Col. Christ. Give my respects
to your Wife and Mother
and also to T. D. Dickey (I suppose
he will remember me). If you wish
to send anything to Bob you can
do it through me and I will
see it delivered to him.

Yours

Theddy Stewart
