Gettysburg May 12th 1840

Dear Sir

On returning [from] the Convention I find and answer yours of the 2nd. As I shall be obliged to take my seat at Harrisburg to pass an improvement bill (per order of governor Porter). I will prepare and introduce the bill to which you refer to elect canal Comm. and should not write it to pass, as Porter could not then procure a re-nomination, which is very desirable seeing he has done so much for the banks.

We have resolved to make no change in our electoral tickets for the dist., [?] when the object desired is to degrade an original Harrison man to elevate one of his opponents.

The Chambersburg [cologne] water party must endorse an Antimasonic elector. If Randall should be forced on us we must rebuke the lodge by letting him [ ]— I hope to see you at Harrisburg— stop into the [cars] and come up—

[Very sincerely yours]

Thaddeus Stevens
