Dr. Adam,

Birmingham should see your letter to him, & tho' you laugh at the  
Idea of my Firm being so much engaged with Business, I can assure  
you that I never have had more on my Hand at any one Time  
I wrote lately to Judge Henry the Day before yesterday a few hasty  
Lines to Mr. Zantinger - The Removal of the Seat of Government is now  
a Subject of serious Consideration, and I do believe, if it takes Place, it  
will be to Hammer - you should do something in the Business im-  
mediately if you wish us with you. The Court House could be well  
~~spent~~ spent as we would only (in general) interfere with our  
Firm, viz. that of February, the Business continues from December  
untill March or April - Have you heard of Dr. Jos. Redman's Affairs?  
He has turned out an arrant Thief, I do not know of any Thing that  
has more surprised me - He was detected stealing a Pocket-Book  
out of Folwell's Store, next Door to Frumberger's, since which a Number  
of Thfts are fixed on him, and made public, which were  
before concealed out of Tenderness to his Family, to wit, at Sheff  
Quinn's, Anthony's, Hartung's, Witters (the Furriers) &c. &c. &c.  
The Thing is now so generally known that if he can be under all
