Dearest Anne

I informed thee on second day of my safe arrival here since which I have rec^d. thy two very acceptable Epistles - the last was delivered to me a few Minutes ago.

I have spent my time as agreeably here as I could possibly spend it at a distance from home but my thoughts are constantly bent towards thee and my dear little babe. thy last has very much relieved my Anxiety for her.

There is a vast concourse of Friends in this City attending the yearly Meeting. Yesterday was the Meeting for worship which I attended and had the Satisfaction of hearing Nathan Hunt, James Simpson & other eminent Preachers.

I expect to visit Long Island to morrow & shall return ^{to this City} on first day Evening. I am apprehensive I shall not be able to set off for home until third day morning and hope on fourth day to have the pleasure of meeting you all well. In the mean time I should be gratified by the rec^d. of at least one Letter from thee

Remain aff^r thine
W^m Franklin

P.S. Remember me to Patty, Molly Jane & I
kiss little Sarah for me - not forgetting little Walter
