

Paxton Tax Lists: 1750-1782

Vol. 17 of 18

Note: This file contains images from a microfilm that was created during the 1970s. When the microfilm was created, it did not include breaks demarcating the different years. Some pages of the tax lists include the year; some pages do not.

Therefore, these volumes include all the images of the microfilm in the order in which they appear.
